One of the most exciting events for us was working with Auckland Girls School in a large group programme organised by EAGALA Pacific. Kathy and Debbie worked with other specialists to demonstrate how important effective communication is to achieving success. The girls all threw themselves into it and learnt so much- Kathy and Debbie had a great time too!

A big thank you to Clevedon Lions for funding 5 Therapy sessions for a young local boy and his family. Huge steps have been made by all and the horses worked their magic yet again! Wonderful to see...

THANK YOU!!

A huge step for us was the relationship we have forged with Richmond Trust this year. Our very successful demonstration day in July showed several team members exactly what we can do (often a concept that is hard to grasp). Much fun was had by all and we shared lots of ideas. Our horses were their usual fantastic selves and even those who were a little unsure came out their shell. This led to a trial holiday programme with young people from the Richmond Group. The focus was on fun and relaxation and it was a truly wonderful day. We are looking forward to working with Richmond more next year!

Merry Christmas from Sarg, Louka, Gypsy, Maxwell and Oscar!
